Hymn

*One more step along the world i go,
one more step along the world i go,
From the old things to the new
keep on travelling along with you.*

*And it's from the old
i travel tp the new,
keep travelling
along with you.*

*Round the corners of the world i turn,
more and more about the world i learn.
All the new things that i see
you'll be looking at along with me.*

*As i travel through the bad and good,
Keep me travelling the way i should.
Where i see no way to go,
you'll be telling me the way I know.
Give me courage when the world is rough,
keep me loving though the world is tough.
Leap and sing in all i do,
Keep me travelling along with you.*

*You are older then the world can be,
You are younger then the life in me.
Even old and ever new,
Keep me travelling along with you.*
