SECOND HYMN

One more step along the world I go,
one more step along the world I go,
from the old things to the new,
keep me traveling a long with you:
And it's from the old I travel to the new;
keep me traveling along with you.

Round the corner of the world I turn,
more and more about the world I learn;
all the new things that I see,
you'll be looking at along with me:
And it's from the old I travel to the new;
keep me traveling along with you.

As I travel through the bad and good,
keep me traveling the way I should;
Where I see no way to go
you'll be telling me the way I know:
And it's from the old I travel to the new;
keep me traveling along with you.

Give me courage when the world is rough,
keep me loving though the world is tough,
leap and sing in all I do,
keep me traveling along with you:

And it's from the old I travel to the new;
keep me traveling along with you.

You are older than the world can be,
you are younger than the life in me,
ever old and ever new,
keep me traveling along with you:
And it's from the old I travel to the new;
keep me traveling along with you.
