

NATALIE & WILLIAM | 15.06.2023

We want to sincerely thank you from the bottom of our hearts.

Throughout the entire journey, from the exciting preparations, to the special day itself, and in the time that has passed since our wedding, we have felt an overwhelming amount of love and sincerity. It truly was one of the happiest days of our lives (apart from the birth of the Baker girls, of course).

Because of your kindness and generosity, we will be able to have the honeymoon we've always dreamed of. We are working our way through the Champagne, whilst Nat is enjoying our new washing machine... Married Life!
