Watercolour painting by Geoffrey

Crematorium

Song 4 - Jehovah God is My Shepherd

1. Jehovah God is my Shepherd;
I'll follow where he will lead.
He knows my hopes and my heart's desire;
He knows what I truly need.
To watered pastures he leads me,
To places secure and blessed.
And he guides me always with loyal love
To where I find peace and rest.
He guides me always with loyal love
To where I find peace and rest.
2. Refreshing are all your pathways,
The ways of your righteousness.
For your name's sake never let me stray
From walking in faithfulness.
In valleys deep in the shadows,
Assured by your staff and rod,
I will fear no danger of lasting harm,
For you are my Friend and God.
I fear no danger of lasting harm,
For you are my Friend and God.
3. Jehovah, you are my Shepherd;
I follow where you will lead.
You strengthen me, and you give me rest;
You give all I truly need.
As you most surely are living,
So sure is my hope in you.
May your loyal love and your care for me
Pursue me my whole life through.
Your loyal love and your care for me
Pursue me my whole life through.

(Psalms 23)

A Message from the Family

We would like to thank everyone who has shown us support in this difficult time. It has been clear from everyone's cards, phone calls, kindness and practical assistance, that Dad was loved and highly respected, by the many whom had know him and mum over the years. We are sure that you will all continue to assist mum, and we ask that you keep her in your thoughts and prayers.
