*Abide with Me – Henry Francis Lyte*

*Abide with me, fast falls the eventide:  
The darkness deepens, Lord, with me abide:  
When other helpers fail, and comforts flee,  
Help of the helpless, O abide with me.*

*I need thy presence every passing hour,  
What but thy grace can foil the tempter's power?  
Who, like thyself, my guide and stay can be?  
Through cloud and sunshine, Lord, abide with me.*

*I fear no foe with thee at hand to bless,  
Ills have no weight, and tears no bitterness.  
Where is death's sting? Where, grave, thy victory?  
I triumph still, if thou abide with me.*

*Hold thou thy cross before my closing eyes,  
Shine through the gloom, and point me to the skies,  
Heaven's morning breaks, and earth's vain shadows flee,  
In life, in death, O Lord, abide with me.*

**Music:** *After The Gold Rush – Prelude*

*A reading of John 14:1-6*

"Do not let your hearts be troubled. Believe in God, believe also in me. In my Father's house there are many dwelling-places. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, so that where I am, there you may be also. And you know the way to the place where I am going.' Thomas said to him, 'Lord, we do not know where you are going. How can we know the way?' Jesus said to him, 'I am the way, and the truth, and the life. No one comes to the Father except through me.
