Oneness

Thich Nhat Hanh

“The moment I die,
I will try to come back to you as quickly as possible.
I promise it will not take long.
Isn't it true I am already with you,
as I die each moment?
I come back to you in every moment.
Just look, feel my presence.
If you want to cry, please cry.
And know that I will cry with you.
The tears you shed will heal us both.
Your tears are mine.
The earth I tread this morning transcends history.
Spring and Winter are both present in the moment.
The young leaf and the dead leaf are really one.
My feet touch deathlessness, and my feet are yours.
Walk with me now.
Let us enter the dimension of oneness
and see the cherry tree blossom in Winter.
Why should we talk about death?
I don't need to die to be back with you.

THE LORDS PRAYER
ALL

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come;
thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation;
but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen.
