WHEN I MLOST YOU MY DARLING DAVE

*I wish I could see you one more time
Come walking through the door....
But I know that is impossible
I will hear your voice no more.*

*I know you can feel my tears
And you don't want me to cry
Yet my heart is broken, because
I can't understand why
Someone so precious had to die.*

*I pray that God will give me strength
And somehow get me through
As I struggle with the heartache
That came when I lost you.*

*We never got to say goodbye
You were for too good to die
You were My North, My South, My East, My West
My working week my Sunday rest
My noon, my midnight, my talk, my song
I thought our life would last forever
But I was wrong*

*May the flowers line your pathway
may the sunshine light your day
may the songbirds serenade you
All along the way*

*May a rainbow be above you
in a sky that's clear and blue
May all the trees in the woods
Be there to shelter you*

*In Sun Rising you will lay to rest
Amongst the good and very best
We will think of you as living
In the hearts of those you touched
For nothing loved is ever lost
And you were loved so very much*
