## "DYLAN"

He was born on November eighteen  
The most beautiful person we have ever seen  
The family was filled with joy  
At the arrival of our baby boy

Mum and Dad visited him every day  
While the rest of us had to stay away  
Every day we looked for costume changes and photos of our bundle of joy  
We were proud to be the family of this beautiful boy  
He looked good in green, blue and maroon  
We all looked forward to holding him soon  
He was born in the shadow of Big Ben  
But I don't know if its bells will ring again

All the consultants, nurses, doctors and men  
Couldn't make him better again  
He is sailing now on other seas  
But he will never be far from you and me  
Sitting on his pure white swan  
He never did anyone any wrong  
And he will never be gone

WE LOVE YOU DYLAN

## "OLIVIA-MAI"

We celebrate the day when we saw the arrival of Olivia-Mai  
A rainbow rose over Westminster when Dylan sent us his baby sister  
Her Birthday February 6 is a day like no other  
You look at her and can only love her  
All the families of her parents Nick and Anita have been to London to see and greet her

She has the eyes of bluest blue she mainly sleeps feeds and smiles  
We all have to thank the Doctors and Midwives who brought her home safe  
Her care was the best and her parents love did the rest

Today she going to see the tree dedicated to her brother a boy who also brings joy  
Tomorrow is hers for the taking and we wish her unlimited blessings  
She is also known as Olive and an Olive branch is the ultimate symbol of peace  
We hope you grow up in a world at peace and you always have peace in your heart

WE LOVE YOU OLIVIA-MAI
