Just Married!

I sit and wait
Does an angel
contemplate my fate
And do they know
The places where we go
When we're grey and old

'Cause I have been told
That salvation
lets their wings unfold

So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead

I'm loving angels instead

And through it aaaall
she offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfaaall
Wherever it may take me
I know that life won't break me
When I come to call
she won't forsake me

I'm loving angels instead

When I'm feeling weak
And my pain walks down
a one way street
I look above
And I know I'll always
be blessed with love

And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

And through it aaaall
she offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfaaall
Wherever it may take me
I know that life won't break me
When I come to call
she won't forsake me

I'm loving angels instead
