Doreen's Arrival

Love me Tender - Elvis Presley

Welcome & Introduction

Love Me Still (Donna Ashworth)

If you wish to love me still when i leave

you can, by loving others

by giving new love

by not losing hope

by still seeing joy

by living your life like it cries to be lived

by letting go when the natural order demands it

by being at peace with the circle of time

if you wish to love me still when i leave

you can, by loving all that is life

by loving yourself most of all, the way that i loved you

for now that i cannot, you must

love yourself and your life and you will love me still.

A moment of reflection

Unchained Melody- Righteous Brothers

Afterglow *(Helen Lowrie Marshall)*

*I'd like the memory of me to be a happy one
I'd like to leave an afterglow of smiles when life is done
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that i leave when all in life is done.*
