# The Reading

Read By  
Rebekka James

Whatever lies in front of us,  
Whatever life will throw our way,  
We shall face it here together,  
As We Face each day.

For i will always be by your side,  
As our life it should unfold,  
The love we have between us  
Is a wonder to behold.

To Hold you in my heart,  
And to stand there by your side,  
To love you with all my might,  
Will fill me with such pride.

To you i shall ever be true,  
And love you with all my heart,  
I promise you this, My darling,  
That we shall never part.

This day has come when we will be,  
Together living as one,  
The love we share will strengthen,  
And shall never be undone.
