HYMN

One More step along the world I go,
One more step along the world I go,
From the old things to the new
Keep me travelling along with you.
And its from the old I travel to the new,
Keep me travelling along with you.
Round the corners of the world I turn,
More and more about the world I learn.
All the new things that i see
you'll be looking at along with me.
And it's from the old I travel to the new,
Keep me travelling along with you.
As I travel though the bad and good
Keep me travelling the way I should.
Where I see no way to go
You'll be telling me the way, I know.
And it's from the old I travel to the new,
Keep me travelling along with you.
You are older than the world can be,
You are younger than the life in me.
Ever old and ever new,
Keep me travelling along with you.
And it's from the old I travel to the new,
Keep me travelling along with you.

Thank you joining us to celebrate our very special day.
