....Until We Meet Again

Those special memories of you will  
always bring a smile if only i could have  
you back just for a while

Then we could sit and talk again just like  
we used to do

You always meant so very much and  
always will do too

The fact that you're no longer here  
will always cause me pain but you're  
forever in my heart until we meet again

*The family would like to thank you all for your  
kind support during this time of sadness.*
