*“Goodbyes are not forever
Goodbyes are not the end
They simply mean I’ll miss you
Until we meet again”*

Stacey's poem

My heart has been left broken
Since the day you had to go
The memories I treasure dearly
Are in the tears that flow

The day you left and gained your wings
My heart just broke in two
I wish you could of stayed with me
But heaven needed you

You left us with great memories
And lots of laughter too
You where the greatest uncle
And my dad number two

You were a special person
With kindness in your heart
The love you gave to all of us
Will never leave our hearts

It broke our hearts to lose you
But you never went alone
For part of us went with you
The day god took you home

Goodnight and Godbless
Uncle Paul

The Round House Tower

*I have you fast in my fortress,
And will not let you depart,
But put you down into the dungeon
In the round-tower of my heart.*

*And there will I keep you forever,
Yes, forever and a day,
Till the walls shall crumble to ruin,
And moulder in dust away!!*
