*RECEPTION OF COFFIN*  
*Hallelujah by Andrea Bocelli*

*Love Divine, all loves excelling*

*Love divine, all loves excelling,  
joy of heav'n to earth come down,  
fix in us Thy humble dwelling;  
all Thy faithful mercies crown!  
Jesus, Thou art all compassion,  
pure, unbounded love Thou art;  
visit us with Thy salvation,  
enter every trembling heart.*

*Breathe, O breathe Thy loving Spirit  
into every troubled breast!  
Let us all in Thee inherit,  
let us find the promised rest.  
Take away our love of sinning;  
Alpha and Omega be,  
end of faith, as its beginning,  
set our hearts at liberty.*

*Come, Almighty to deliver;  
let us all Thy life receive;  
suddenly return and never,  
nevermore Thy temples leave.  
Thee we would be always blessing,  
serve Thee as Thy hosts above;  
pray, and praise Thee without ceasing,  
glory in Thy perfect love.*

*Finish then, Thy new creation;  
pure and spotless let us be;  
let us see Thy great salvation  
perfectly restored in Thee.  
Changed from glory into glory,  
till in heav'n we take our place,  
till we cast our crowns before Thee,  
lost in wonder, love, and praise.*

## *Summertime*

*Summer's embrace, a warm caress,  
Unfolding days of sunlit bliss,  
A symphony of colors in the air,  
As nature dons its vibrant wear.  
The sun ascends with golden might,  
Bathing the world in radiant light,  
Breezes whisper secrets as they roam,  
Carrying the fragrance of flowers in bloom.  
Beaches beckon with sandy shores,  
Where laughter and waves forever soar,  
Cool waters embrace, a sweet relief,  
As memories are woven, pure and brief.  
Picnics unfold beneath the shade,  
Where laughter and stories are joyously made,  
Ice cream kisses upon eager lips,  
As the sun's rays trace our fingertips.  
From dawn to dusk, the days extend,  
A chapter of Summer, we transcend,  
In this ephemeral, enchanting rhyme,  
We savor the beauty of summertime.*
