When tomorrow starts without me

*When tomorrow starts without me and I am not
there to see,
If the sun should rise and find your eyes are
filled with tears for me,
I wish so much you wouldn't cry, the way you did
today,
While thinking of the many things we didn't get
to say.
I know how much you loved me, as much as I
loved you
, And each time you think of me I know you'll
miss me too,
But, when tomorrow starts without me,
please try to understand,
That angel came and called my name and took
me by the hand.
When tomorrow starts without me,
don't think we're far apart,
For every time you think of me, I'm right there in
your heart.*
