The Committal

Sandra, rest now at the end of your days, your work is done.

Rest in the hearts and the minds of all you love.

*May we all find comfort, and richness and example in your
memories.*

*May we find support in our love for one another
and may we all find strength in our hearts, as we bid you a loving
farewell.*

*“May God give you his comfort and his peace,
his light and his joy, in this world and in the nex*

Poem:

*If roses grow in heaven,
Lord please pick a bunch for me,
Place them in my Mother's arms
and tell her they're from me.*

*Tell her I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.*

*Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.*
