SONG 1

It must be Love(Madness)

I never thought I'd miss you

Half as much

As I do

And I never thought I'd feel this way

The way I feel

About you

As soon as I wake up

Every night, every day

I know that it's you I need

To take the blues away

It must be love, love, love

It must be love, love, love

Nothing more

Nothing less

Love is the best

How can it be that we can

Say so much

Without words

Bless you and bless me

Bless the bees

And the birds

Please now join us for Drinks and Canapes
