

*I've got to be near you
Every night, every day
I couldn't be happy
Any other way*

*It must be love, love, love
It must be love, love, love
Nothing more
Nothing less
Love is the best*

*As soon as I wake up
Every night, every day
I know that it's you I need
To take the blues away*

*It must be love, love, love
It must be love, love, love
Nothing more
Nothing less
Love is the best*

*It must be love, love, love
It must be love, love, love
It must be love, love, love
It must be love, love, love*

*Nothing more
Nothing less
Love is the best*

SONG 2

I Do, I Do, I Do, I Do, I Do(Abba)

Love me or leave me, make your choice but believe me

I love you

I do, I do, I do, I do, I do

I can't conceal it, don't you see, can't you feel it?

Don't you too?

I do, I do, I do, I do, I do

*Oh, I've been dreaming through my lonely past
Now I just made it, I found you at last*

*So come on, now let's try it, I love you, can't deny it
'Cause it's true
I do, I do, I do, I do, I do*

*Oh, no hard feelings between you and me
If we can't make it, but just wait and see*

*So come on, now let's try it, I love you, can't deny it
'Cause it's true
I do, I do, I do, I do, I do*

*So love me or leave me, make your choice but believe me
I love you
I do, I do, I do, I do, I do
I can't conceal it, don't you see, can't you feel it?
Don't you too?
I do, I do, I do, I do, I do*
