**Chorus**

I love you, baby  
And if it's quite alright  
I need you, baby  
To warm the lonely night  
I love you, baby  
Trust in me when I say  
Oh, pretty baby  
Don't bring me down, I pray  
Oh, pretty baby  
Now that I've found you, stay  
And let me love you, baby  
Let me love you

## **Unnamed by Isla Bradshaw**

With every year that I grow older, I'm beginning so see,  
How much of yourself you sacrificed  
And how much you gave to me  
So I want you to know I'm grateful  
For everything you give  
I want you to know I'm thankful  
For everything you did

I want you to know I see you  
I see every beat of your heart  
I see a heart that beats for us both  
I see a heart that will never depart

I want you to know I owe it to you  
You made me who I am now  
I want you to know I love you  
I love you more than you know

I want you to know you're incredible  
And I'm really proud of you  
I know it isn't easy  
Everything you do

You always say how lucky you are  
But I'm sure I'm the lucky one  
You may be blessed with me,  
But I get to call you Mummy
