Amazing Grace

John Newton

Amazing grace, How sweet the sound
That saved a wretch like me.
I once was lost, but now I am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear
The hour I first believed.

Through many dangers, toils and snares
I have already come,
'Tis grace has brought me safe thus far
And grace will lead me home.

The Lord has promised good to me
His word my hope secures;
He will my shield and portion be,
As long as life endures.

Yea, when this flesh and heart shall fail,
And mortal life shall cease
I shall possess within the veil,
A life of joy and peace.

When we've been there ten thousand years
Bright shining as the sun,
We've no less days to sing God's praise
Than when we've first begun.
