Abide With Me

Henry Francis Lyte

*Abide with me, fast falls the eventide
The darkness deepens Lord, with me abide
When other helpers fail and comforts flee
Help of the helpless, oh, abide with me
Swift to its close ebbs out life's little day
Earth's joys grow dim, its glories pass away
Change and decay in all around I see
O Thou who changest not, abide with me
I fear no foe, with Thee at hand to bless
Ills have no weight, and tears no bitterness
Where is death's sting?
Where, grave, thy victory?
I triumph still, if Thou abide with me
Hold Thou Thy cross before my closing eyes
Shine through the gloom and point me to the skies
Heaven's morning breaks, and earth's vain shadows flee
In life, in death, o Lord, abide with me
Abide with me, abide with me*

MEMORIES/WORDS TO SHARE (Friends/family)

AMAZING GRACE

*Amazing grace! how sweet the sound,
That saved a wretch; like me!
I once was lost, but now am found,
Was blind, but now I see.*

*'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!*

*The Lord hath promised good to me,
His word my hope secures;
He will my shield and portion be
As long as life endures.*

*When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.*
