*Poem*

*God looked around his Garden and found an empty place. He then  
looked down upon his earth and saw your loving face. He put his  
arms around you and lifted you to rest. His Garden must be  
beautiful, he always takes the best.*

*He knew that you were suffering, he knew you were in pain. And knew  
that you would never get well on earth again. He saw your path was  
difficult, he closed your tired eyes, He whispered to you "Peace be  
Thine" and gave you wings to fly.*

*When we saw you sleeping so calm and free of pain, We would not  
wish you back to earth to suffer once again. You've left us precious  
memories, your love will be our guide, You live on through your  
children, you're always by our side.*

*It broke our hearts to lose you, but you did not go alone. For part of  
us went with you on the day God called you home.*
