## *Celebration of the life of*

### *Lynn Duncan*

*As you will know, there was nobody quite like Lynn. She didn't do anything by halves! She lived life to the fullest always with a positive mind, a smile on her face and a G&T in hand. A trusted friend, fierce advice giver & straight talker.*

*Lynn had many talents. From riding motorbikes, singing, sewing, gardening, karate (she was the only woman of her time to get 2 dans), cooking, bargain hunting and of course her learning her beloved language- Greek!*

*She was strong minded and excelled in anything she set her mind to. She had a long and successful career in the probation service where she was well respected by her peers.*

*Lynn certainly wouldn't want to see us all sitting around being sad. She didn't want any fuss but she will always have a special place in our hearts. She had so many friends, neighbours and extended family, it is clear to see how loved she was and still is!*

*So in true Lynn fashion, raise a glass of your favourite tippie and listen to some of Lynn's favourite songs to remember the good times!*

*Lynn is forever in Skiathos- her favourite place in the world- Limni Strofiliias lake in Koukounaries*

*God Bless Lynn, we love and miss you dearly*

*'Don't grieve for me for now I'm free,  
I'm following the path God laid for me  
I took his hand when I heard him call,  
I turned my back and left it all  
I could not stay another day,  
To laugh, to love, to work or play  
Tasks left undone must stay that way,  
I've found that peace at the close of day  
If my parting has left a void,  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss  
Be not burdened with times of sorrow,  
I wish for you the sunshine of tomorrow  
My life's been full, I've savored much,  
Good friends, good times, my loved one's touch  
If my time seemed all too brief,  
Don't lengthen it undue grief  
Lift up your heart, rejoice with me,  
God wanted me now, He set me free!'*
