*WELCOME & INTRODUCTION*

*Please Release Me*  
*Song by Engelbert Humperdinck*

Almighty God, in your great love  
you crafted us by your hand  
and breathed life into us by your Spirit.  
Although we became a rebellious people,  
you did not abandon us to our sin.  
In your tender mercy  
you sent your Son  
to restore in us your image.  
In obedience to your will  
he gave up his life for us,  
bearing in his body our sins on the cross.  
By your mighty power  
you raised him from the grave  
and exalted him to the throne of glory.  
Rejoicing in his victory  
and trusting in your promise  
to make alive all who turn to Christ,  
we commend N to your mercy  
and we join with all your faithful people  
and the whole company of heaven  
in the one unending song of praise:  
glory and wisdom and honour  
be to our God for ever and ever.

Amen.

*Final Goodbye*

*We'll Meet Again*  
*Song by Vera Lynn*

*All things bright and beautiful,  
All creatures great and small,  
All things wise and wonderful:  
The Lord God made them all.*

*Each little flow'r that opens,  
Each little bird that sings,  
He made their glowing colors,  
He made their tiny wings.*

*The purple-headed mountains,  
The river running by,  
The sunset and the morning  
That brightens up the sky.*

*The cold wind in the winter,  
The pleasant summer sun,  
The ripe fruits in the garden,  
He made them every one.*

*The tall trees in the greenwood,  
The meadows where we play,  
The rushes by the water,  
To gather every day.*

*He gave us eyes to see them,  
And lips that we might tell  
How great is God Almighty,  
Who has made all things well.*
