All: Amen

Priest: The Lord be with you

All: And with your spirit

PENITENTIAL RITE

Priest: My brothers and sisters, to prepare ourselves to celebrate the sacred mysteries, let us call to mind our sins

Pause

You were sent to heal the contrite of heart:

Lord, have mercy.

All: Lord, have mercy

Priest: You came to call sinners:

Christ have mercy

All: Christ, have mercy

Priest: You are seated at the right hand of the Father to intercede for us:

Lord have mercy

All: Lord, have mercy

Priest: May Almighty God have mercy on us, forgive us our sins and bring us to everlasting life

Our Beautiful Mum

Where did you go
our beautiful mum
Are you dancing to Elvis
Drinking with Dad in the sun

Are you dancing with nan
Singing with Dada for sure
Or are you watching over us
Keeping us safe and secure

Where ever you are
you'll be missed everywhere
You'll be loved and adored
With memories we'll share

You see, we never saw this coming
Ending up in that place
We tried so hard mum
To keep you home in your space

But the care that you needed
Was beyond me and Tan
To see you in pain
Was not part of the plan

But the care you received
Was respectful and right
The carers were angels
And cared day and night

Laying in the bed
With the world passing by
Peacefully oblivious
As the lord watched from the sky

Is it time to go yet
You must have thought to yourself
Or can you just hold on
With your declining health

But please fear not
our beautiful mum
We didn't leave you alone
when the time did finally come

For every step of the way
We stayed by your side
We held your hand and caress
As you said your goodbye

Just remember mum
We love you so so much
Your caring words
and gentle touch

And we'll never forget
For that we are sure
Your selfless nature
And heart so pure

It was you who taught us
The values we share
To love our family
To protect and to care

Forever in our hearts
and there mum you'll stay
With your warm gentle smile
Always showing us the way

So from the bottom of our hearts
We say thank you mum
For this wonderful life
You gave a daughter and son
