*Everglow*

"Oh, they say people come, say people go  
This particular diamond was extra special  
And though you might be gone, and the world may not know  
Still I see you, celestial  
And I should but I can't let you go  
But when I'm cold, I'm cold  
And when I'm cold, cold  
There's a light that you give me when I'm in shadow  
There's a feeling within me, an everglow  
Like brothers in blood or sisters who ride  
Yeah we swore, on that night, we'd be friends 'til we die  
But the changing of winds and the way waters flow  
Life is short as the falling of snow  
And I'm gonna miss you, I know  
But when I'm cold, I'm cold  
And when I'm cold, cold  
And I know you're always with me, and the way you will show  
And you're with me wherever I go  
And you give me this feeling, this everglow  
What I'd give for just a moment to hold  
Cause I live for this feeling, this everglow  
So if you love someone, you should let them know  
That the light that you give me will everglow"

*The Nights*

Once upon a younger year  
When all our shadows disappeared  
The animals inside came out to play  
Went face to face with all our fears  
Learned our lessons through the tears  
Made memories we knew would never fade  
One day, my father, he told me, "Son, don't let it slip away"  
He took me in his arms, I heard him say  
"When you get older your wild heart will live for younger days  
Think of me if ever you're afraid"  
He said, "One day, you'll leave this world behind  
So live a life you will remember"  
My father told me when I was just a child  
"These are the nights that never die.  
When thunderclouds start pouring down  
Light a fire they can't put out  
Carve your name into those shining stars"  
He said, "Go venture far beyond the shores  
Don't forsake this life of yours  
I'll guide you home no matter where you are"  
One day, my father, he told me, "Son, don't let it slip away"  
When I was just a kid, I heard him say  
"When you get older your wild heart will live for younger days  
Think of me if ever you're afraid"  
He said, "One day, you'll leave this world behind  
So live a life you will remember"  
My father told me when I was just a child  
"These are the nights that never die"  
My father told me!
