

*The Lord is my Shepherd; I shall not want.*

*He maketh me to lie down in green pastures; He leadeth me  
beside the still waters.*

*He restoreth my soul; He leadeth me in the paths of  
righteousness for His name's sake.*

*Yea, though I walk through the valley of the shadow of  
death, I will fear no evil; for Thou art with me; Thy rod and  
Thy staff, they comfort me.*

*Thou preparest a table before me in the presence of mine  
enemies; Thou anointest my head with oil; my cup runneth  
over.*

*Surely goodness and mercy shall follow me all the days of  
my life, and I will dwell in the house of the Lord forever.*

*PSALM 23*

God saw you getting tired by Frances and Kathleen Coelho

God saw you getting tired and a cure was not to be, So he put His arms around you and whispered, "Come to me." With tearful eyes we watched you As you slowly slipped away and though we loved you dearly, We couldn't make you stay. Your golden heart stopped beating, Your tired hands put to rest. God broke our hearts to prove to us he only takes the best. May God hold you in the palm of His hand.

When Tomorrow Starts Without Me' by David M. Romano

When tomorrow starts without me  
And I'm not here to see If the sun should rise and find your eyes Are filled with tears for me  
I wish so much you wouldn't cry The way you did today While thinking of the many things  
We didn't get to say  
I know how much you love me As much as I love you And each time you think of me I know you'll miss me too  
But when tomorrow starts without me Please try to understand That an angel came and called my name And took me by the hand  
And said my place was ready In Heaven far above And that I'd have to leave behind All those I dearly love  
But when I walked through Heaven's gate I felt so much at home When God looked down and smiled at me From His great golden throne  
He said this is eternity And all I promised you Today your life on earth is past But here it starts anew  
I promise no tomorrow For today will always last And since each day's the same way There's no longing for the past So when tomorrow starts without me Don't think we're far apart For every time you think of me I'm right here in your heart
