OPENING PRAYER

**ALL: God of wonder and of joy: grace comes from you,
and you alone are the source of life and love.
Without you, we cannot please you;
without your love, our deeds are worth nothing.
Send your Holy Spirit, and pour into our hearts
that most excellent gift of love,
that we may worship you now with thankful hearts
and serve you always with willing minds;
through Jesus Christ our Lord. Amen.**

HYMN

All people that on earth do dwell,
sing to the LORD with cheerful voice;
Him serve with mirth, His praise forth-tell;
come ye before Him and rejoice!

Know that the LORD is God indeed;
without our aid He did us make;
we are His flock, He doth us feed,
and for His sheep He doth us take.

O enter then His gates with praise,
approach with joy His courts unto;
praise, laud, and bless His name always,
for it is seemly so to do.

When Winter comes, and singing ends; when darkness falls at last;

When broken is the barren bough, and light and labour past;

I'll look for thee, and wait for thee, until we meet again:

Together we will take the road beneath the bitter rain!

Together we will take the road that leads into the West,

And far away will find a land where both our hearts may rest.

“Gravitation cannot be held responsible for people falling in love. How on earth can you explain in terms of chemistry and physics so important a biological phenomenon as first love? Put your hand on a stove for a minute and it seems like an hour. Sit with that special girl for an hour and it seems like a minute. That’s relativity.”
