EULOGY

*Frank Sinatra-
My way.*

*And now the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm certain
I've lived a life that's full
I travelled each and every highway
And more, much more than this
I did it my way
Regrets I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption
I planned each chartered course
Each careful step along the by-way
And more, much more than this
I did it my way
Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way*
