Reflective Poem - Together Again

*A reunion occurred in heaven last week
Of the sweetest and most joyful kind
As Mum's spirit moved beyond this earth
Released from her mortal life*

*And what a reunion it must have been!
A joy beyond our conceiving
When Mum met Dad in heaven again
Ending her dignified grieving*

*And we are certain Dad is still holding Mum's hand
While she cherishes each moment by his side
And they're experiencing the joy of being together again
Catching up on the time they were denied*

*We are confident they are also looking over us
Hoping this happiness will lessen our pain
As we contemplate the joy that they finally feel
Now that they are together again*

*And though we'll miss them terribly
And will long for them with deepest grief
We are reminded that love is more powerful than death
And this knowledge gives us comfort and peace*

*We can still feel their love surround us
Giving us a desire to continue on
To try our best to live our lives well
In the ways they would have done*

*So although we'll miss our Mum profoundly
Our grief is somewhat lessened
For we are comforted knowing that she led a good life
And she and Dad are now together*
