WELCOME & INTRODUCTION

My Beautiful Brother

I just wanted to write you a little letter, I know you can hear me, and that you will be saying, stop fussing Lorraine, but I am going to tell you that I miss you with all my heart and that I think about you every day.

I was only thinking yesterday how I cannot remember a time without you and how I loved you before you even existed.

I am grateful beyond words for all the love we shared over your 53 and a bit years.

We were very lucky to share so many special, precious family times, from the very beginning to the very end, and we are all immensely grateful and so thankful for every single one of those memories.

Rest now my little brother and please worry not one moment more for any of us.

We all love you so much but our wish for you now Paul is Peace.

We are so incredibly proud of you and will love you forever and ever.

So, Goodnight for now, sweet dreams xxxx

We Hold You Close Within Our Hearts x

*We hold you close within our hearts.
And there you shall remain.
To walk with us throughout our lives.
Until we meet again.
So, rest in Peace Paul xxx
And thanks for all you've done.
We pray that God has given you;
The crown you've truly won xx*

Death Is Nothing at All x

*Death is nothing at all.
I have only slipped away into the next room.
I am I and you are you.
Whatever we were to each other, that we still are.*

*Call me by my old familiar name.
Speak to me in the easy way which you always used.
Put no difference in your tone.
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed at the little jokes we enjoyed together.
Play, smile, think of me, pray for me.
Let my name be ever the household word that it always was.*
