By David Hayes.

"They say there is a reason"

They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way I feel,  
for no-one knows the heartache,  
That lies behind our smiles,  
We have broken down and cried,  
We want to tell you something  
so there wont be any doubt,  
You're so wonderful to think of,  
but so hard to be without.

*Frank Sinatra-  
My way.*

*And now the end is near  
And so I face the final curtain  
My friend, I'll say it clear  
I'll state my case of which I'm certain  
I've lived a life that's full  
I travelled each and every highway  
And more, much more than this  
I did it my way  
Regrets I've had a few  
But then again, too few to mention  
I did what I had to do  
And saw it through without exemption  
I planned each chartered course  
Each careful step along the by-way  
And more, much more than this  
I did it my way  
Yes, there were times, I'm sure you knew  
When I bit off more than I could chew  
But through it all when there was doubt  
I ate it up and spit it out  
I faced it all and I stood tall  
And did it my way*
