APPRECIATION

Thank you to all our family and friends, and the staff at St George's who looked after Nick with such dignity and love.

We can never repay you all.

Nick had so much passion and love for life and his family.

It will be an eternal heartbreak that he wasn't able to continue watching and helping his girls grow up.

Thank you for coming to help celebrate his life, we will miss him every day and hope you remember him with much fondness and smiles.

Kate, Tabby, Bea and the Ferguson Family

Following the service you are warmly invited to share further memories
of Nick and raise a glass in his honour at:

DONATIONS

Any donations will be put towards a memorial bench in Bushy Park, one
of Nick's favourite places and somewhere that Kate and the family will be
able to regularly visit to remember him.
