CELEBRATION OF LIFE

11/11/2023

When tomorrow starts without me,  
And I am not here to see,  
If the sun should rise and find your eyes,  
Filled with tears for me.

I wish so much you would not cry,  
the way you did today,  
While thinking of the many things,  
we did not get to say.

I know how much you love me,  
as much as I love you,  
And each time you think of me,  
I know you'll miss me too.

When tomorrow starts without me,  
do not think we are far apart,  
For every time you think of me,  
I am right there in your heart.

To dad,

I wish you had longer with us as there were many more memories to be made. Some of the small moments with you have become my favourite memories; having a coffee and chatting with you in the mornings, when you'd tell me to sit in my warm car while you de-iced my windows for me so I wouldn't get cold hands, when you would put on sky movies around Christmas time so we all could watch new films from that year together, always asking 'have you got any sweets?', the amount of times we watched Lord of the Rings because they were your favourite films, and catching spiders (no matter how big) for me and mum before we could scream the house down.

I will forever love you and miss you.

Love from Estelle xxxx

To Terry,

A day hasn't gone by since I haven't missed you. I think about all the great memories we had and hold them close to my heart, such as our holidays with our girls, or the many Christmases we shared, or that time we brought our dog Jasmin home to surprise the girls. These are the moments I cherish the most. I miss you so much but i know you are forever with me in my heart.

With all my love,

Nicola xxxxxxxx

Dear Grandad,

Thank you for all the times you took me to the park with Nanny. I loved coming back to your house to steal your favourite food from the fridge and enjoying sitting together eating whilst watching Peppa pig. I will always remember my sleep overs when you let me eat trifle for my dinner (shh don't tell my mummy)

I will miss our little adventures together grandad X

Love you and miss you lots, from Jensen xxxxxx

Ps I hope they still have Peppa pig up there so you don't miss out!

xxxxx
