

Little darling
The smile's returning to the faces
Little darling
It seems like years since it's been here

Chorus

Sun, sun, sun, here it comes x6

Little darling
I feel that ice is slowly melting
Little darling
It seems like years since it's been clear

Chorus x2

It's alright

SECOND SONG

Islands in the Stream by Dolly Parton & Kenny Rogers
Please stand to sing

Baby, when I met you there was peace unknown
I set out to get you with a fine toothcomb
I was soft inside
There was something going on

You do something to me that I can't explain
Hold me closer and I feel no pain
Every beat of my heart
We got something going on

Tender love is blind
It requires a dedication

All this love we feel needs no conversation
We ride it together, ah ha
Making love with each other, ah ha

Chorus:

*Islands in the stream
That is what we are
No one in between
How can we be wrong?
Sail away with me
To another world
And we rely on each other, ah ha
From one lover to another, ah ha*

I can't live without you if the love was gone
Everything is nothing if you got no one
And you did walk in the night
Slowly losing sight of the real thing

But that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing

No more will you cry
Baby, I will hurt you never

We start and end as one
In love forever
We can ride it together, ah ha
Making love with each other, ah ha

Chorus

Sail away
Oh, come sail away with me

Chorus x2
