## **Poem**"Don't cry for me"

"Don't cry for me now I have died, for I'm still here I'm by your side, My body's gone but my soul is here, please don't shed another tear, I am still here I'm all around, only my body lies in the ground.

I am the snowflake that kisses your nose,
I am the frost, that nips your toes.
I am the sun, bringing you light,
I am the star, shining so bright.
I am the rain, refreshing the earth,
I am the laughter, I am the mirth.
I am the bird, up in the sky,
I am the cloud, that's drifting by.
I am the thoughts, inside your head,
While I'm still there,
I can't be dead."

# **Poem**"She Is Gone"

"You can shed tears that she is gone, Or you can smile because she has lived.

You can close your eyes and pray that she'll come back, Or you can open your eyes and see all that she's left.

Your heart can be empty because you can't see her, Or you can be full of the love you shared.

You can turn your back on tomorrow and live yesterday, Or you can be happy for tomorrow because of yesterday.

You can remember her and only that she's gone, Or you can cherish her memory and let it live on.

> You can cry and close your mind, Be empty and turn your back,

Or you can do what she'd want, Smile, open your eyes, love and go on."
