One at Rest.

*Think of me, as one at rest
For me, you should not weep
I have no pain, no troubled thought
For I, am just asleep*

*The living thinking me that was
Is now forever still
And life goes on without me now
As time, forever will*

*If your heart is heavy now
Because I've gone away
Dwell not long upon it my friend
For none of us can stay*

*Those of you who liked me
I sincerely, thank you all
And those of you who loved me
I thank you most of all*

*And in my fleeting lifespan
As time went rushing by
I found some time to hesitate
To laugh, to love, to cry*

*Matters it now, if time began
If time will ever cease
I was here, I used it all
And now I am at Peace.*

APPRECIATION

*The family would like to thank you all for your
kind support during this time of sadness.*
