"Flying without wings"

- Westlife.

Everybody's looking for that something, one thing that makes it all
complete.

You'll find it in the strangest places, places you never knew it could
be.

Some find it in the face of their children, some find it in their lover's
eyes.

Who can deny the joy it bring, when you've found that special thing.
You're flying without wings.

Some find it sharing every morning, some in their solitary nights.
You'll find it in the words of others, a simple line can make you laugh
or cry.

You find it in the deepest friendship, the kind you cherish all your
life.

And when you know how much that means, you've found that special
thing.

You're flying without wings.

So, impossible as they may seem, you've got to fight for every dream.
'Cause who's to know, which one you let go.

Would have made you complete.

Well, for me it's waking up beside you, to watch the sunrise on your
face.

To know that I can say, "I love you", in any given time or place.
It's little things that only I know, those are the things that make you
mine.

And it's like flying without wings, 'cause you're my special thing.
I'm flying without wings.

And you're the place my life begins, and you'll be where it ends.
I'm flying without wings.

And that's the joy you bring,
I'm flying without wings.

Goodnight but not goodbye.

- A poem just for you.

A golden heart stopped beating,
Your hardworking hands now rest,
It broke our hearts to watch you go,
 You really are the best.
They say that memories last a lifetime,
 And yes we know that's true,
But the memories won't fill the void,
 Because all we want is you.
Your life was full of adventure,
Raising a family and being head of our home,
 You did your best for your Barbie,
Now take your place upon your throne.
 We sat beside your bedside,
Held your hand through night and day,
We did our duty with respect to you,
 Never once alone did you lay.

We say goodnight for now,
Kiss your cheek and let you fly,
I know we'll meet again someday,
That's why I do not say goodbye.
