THE WELCOME

Family and friends, each one of you has been invited here this afternoon to bear witness to Alan & Carmina's solemn wedding vows.

Each one of you will have played a special part in Alan & Carmina's life or in their friendship together.

Each one of you will be full of hope that today will not only be the happiest day of their lives so far, but much more, that it will be the start of one great union with many happy days ahead.

Each one of you will recall special times gone by and will remember too, those who cannot be with us today, but whom we know would so loved to have been.

We hope that you enjoy yourselves today and we trust that following today's celebration you will continue to play a very special part in their lives together.
