Welcome & Introduction

Poem Her Journeys Just begun Read by Lou

Don't think of her as gone awayher journey's just begun. life holds so many facetsthis earth is only one. . . Just think of her as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how she must be wishing that we could know today how nothing but our sadness can really pass away. And think of her as living in the hearts of those she touched. . . for nothing loved is ever lostand she was loved so much.
