We are loving being in Sherborne and are hopefully nearing the end of building works on our new house.

Victoria is enjoying her job at YSE Ski - office in Sherborne, chalets in Val d'Iserre!

After 27 years Luke has retired from Knight Frank and is looking forward to some time off before embarking on something new.

Finlay is in his last year at Exeter. Ellie is loving York where she's studying Psychology and Martha is getting on well at King's Bruton - GCSEs in 2025!
