Love Came First

You don't move on after loss but you must move with. You must shake
hands with grief, welcome her in, for she lives with you now.

Pull her a chair at the table and offer her comfort. She is not the
monster you first thought her to be. She is love and she will walk with
you now, stay with you now, peacefully, if you let her.

And on the days when your anger is high, remember why she came,
remember who she represents. Remember grief came to you, my friend
because love came first. Love came first.

To Those I Love and To Those That Loved Me

When I am gone release me, let me go
I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many years
I gave you my love you can only guess
how much you gave to me in happiness
I thankyou for for the love you each have shown
But now its time i travel alone
So grieve a while for me if grieve you must
Then let your grief be comforted by trust
It's only for awhile that we must part
So bless the memories within your heart
I wont be far away as life goes on
So if you need me call me and i will come
Though you can't see me or touch me i'll be near
All of my love around you soft and clear
And then when you must come this way alone.
I'll greet you with a smile and say wecome home.
