**CRAIG Y NOS CASTLE - THE BRECON BEACONS**

# **Welcome to the Theatre of Craig Y Nos Castle**

Built in 1891, this theatre was designed as a private auditorium where celebrated opera diva Adelina Patti would share her remarkable voice to all those who came to listen.

We have chosen some special pieces of music and voices to welcome you to this very beautiful and historic venue.

We hope you enjoy this time and embrace the magic of music...

The greatest gift you can give us today is to be truly present, so please turn off all phones and cameras and enjoy this special moment with us.

....

"I'm so in love with you and I hope you know...

Darling, your love is more than worth its weight in gold.

I want to live with you, even when we're ghosts, because you were always there  
for me when I needed you most. I'm gonna love you until my lungs give out.

I promise 'til death we part like in our vows...

Now everybody knows - That it's just you and me 'til we're grey and old."
