Butterfly Kisses - John F Connor

Don't cry for me, please don't be sad
Hold on to the memories of the times we both had
Don't dwell on dark thoughts, hold on tight to your wishes
Sending you hugs and butterfly kisses
I walk beside you. I am there all day long
I am right here but you think I am gone
You don't see me but I can see you
Whatever the problems, I will help get you through
I am the wind in your hair and sand in your toes
Butterfly kisses that you feel on your nose
I am with you at sunrise and in sunset
But you can't see me is my one regret
I sit right beside you and when you are sad
As you look through the photos of times we both had
I watch you sleeping, I hold you so tight
Before I go, I kiss you goodnight
I will watch over you from heaven above
Forever you will be my one true love
Hold on to your dreams and all your wishes
Sending you hugs and butterfly kisses

When Tomorrow Starts Without Me - David Romano

When tomorrow starts without me and I am not there to see
If the sun should rise and find your eyes are filled with tears for me
I wish so much you wouldn't cry, the way you did today
While thinking of the many things we didn't get to say
I know how much you loved me, as much as I loved you
And each time you think of me, I know you'll miss me too
But when tomorrow starts without me, please try to understand
The angel came and called my name and took me by the hand
When tomorrow starts without me, don't think we're far apart
For everytime you think of me, I'm right there in your heart

The Committal:

We have been remembering Doreen Ferguson, with sadness and with love.
She is now beyond harm and so in this last rite, in sorrow rather than fear,
we commit her body back to the elements from which she came.
She remains with us in our thoughts and her presence is ever around us.
We give tribute to her life, those she touched will always remember her
and our lives are lessened by the passing

Think of Me

When you're feeling sad or a little blue
Look around and you'll see I'm there with you
I'm the bird who soars so high above
I'm the one who filled your heart with love

Recessional Music: Louis Armstrong - What a Wonderful World
