Entrance Hymn - I watch the sunrise

I watch the sunrise, lighting the sky
Casting its shadows near
And on this morning, bright though it be
I feel those shadows near me

But you are always close to me Following all my ways May I be always close to you Following all your ways, Lord

I watch the sunlight, shine through the clouds Warming the earth below and at the mid-day Life seems to say, I feel your brightness near me

> For you are always close to me Following all my ways May I be always close to you Following all your ways, Lord

I watch the sunset fading away lighting the clouds with sleep And as the evening closes its eyes I feel your brightness near me

For you are always close to me Following all my ways May I be always close to you Following all your ways, Lord Enjoying a 70th birthday lunch, Lyme Regis
