FIRST SONG

Always look on the bright side of life

Some things in life are bad
They can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this'll help things turn out for the best

And always look on the bright side of life
Always look on the light side of life
If life seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle, that's the thing

And always look on the bright side of life
Always look on the right side of life
For life is quite absurd
And death's the final word
You must always face the curtain with a bow
Forget about your sin
Give the audience a grin
Enjoy it, it's your last chance anyhow

So always look on the bright side of death
And just before you draw your terminal breath
Life has been a hit
When you look at it
Life's a laugh and death's a joke, it's true
You'll see it's all a show
Keep 'em laughin' as you go
Just remember that the last laugh is on you

And always look on the bright side of life
Always look on the right side of life
(C'mon Helen, cheer up)
Always look on the bright side of life x3

SECOND SONG & THE DEPARTURE OF THE BRIDE & GROOM

Bring me Sunshine

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live there should be more happiness
So much joy you can give to each brand new bright tomorrow

Make me happy through the years
Never bring me any tears
Let your arms be as warm as the sun from up above
Bring me fun bring me sunshine, bring me love

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live there should be more happiness
So much joy you can give to each brand new bright tomorrow

Make me happy through the years
Never bring me any tears
Let your arms be as warm as the sun from up above
Bring me fun bring me sunshine, bring me love
