READING 1

Today is a day you will always remember

The greatest in anyone's life

You'll start off the day just two people in love

And end it as Husband and Wife

It's a brand new beginning the start of a journey

With moments to cherish and treasure

And although there'll be times when you both disagree

These will surely be outweighed by pleasure

You'll have heard many words of advice in the past

When the secrets of marriage were spoken

But you know that the answers lie hidden inside

Where the bond of true love lies unbroken

So live happy forever as lovers and friends

It's the dawn of a new life for you

As you stand there together with love in your eyes

From the moment you whisper 'I do

And with luck, all your hopes, and your dreams can be real
May success find it's way to your hearts
Tomorrow can bring you the greatest of joys
But today is the day it all starts.
