

*You'll never walk alone*

*When you walk through a storm*

*Hold your head up high*

*And don't be afraid of the dark*

*At the end of a storm*

*There's a golden sky*

*And a sweet silver song of a lark*

*Walk on through the wind*

*Walk on through the rain*

*Or your dreams be tossed and blown*

*Walk on! Walk on! With hope in your heart*

*And you'll never walk alone*

*You'll never walk alone*

*Walk on! Walk on! With hope in your heart*

*And you'll never walk alone*

*You'll never walk alone*

*Remember Me by Margaret Mead*

*To the living, I am gone,  
To the sorrowful, I will never return,  
To the angry, I was cheated,  
But to the happy, I am at peace,  
And to the faithful, I have never left.*

*I cannot speak, but I can listen.*

*I cannot be seen, but I can be heard.*

*So as you stand upon a shore gazing at a beautiful sea,  
As you look upon a flower and admire its simplicity,*

*Remember me.*

*Remember me in your heart:*

*Your thoughts, and your memories,*

*Of the times we loved,*

*The times we cried,*

*The times we fought,*

*The times we laughed.*

*For if you always think of me*

*I will never have gone.*

**True love ways**

**Just you know why  
Why you and I, will by and by  
Know true love ways  
Sometimes we'll sigh  
Sometimes we'll cry  
And we'll know why just you and I  
Know true love ways  
Throughout the days  
Our true love ways  
Will bring us joys to share  
With those who really care  
Sometimes we'll sigh  
Sometimes we'll cry  
And we'll know why just you and I  
Know true love ways  
Throughout the days  
Our true love ways  
Will bring us joys to share  
With those who really care  
Sometimes we'll sigh  
Sometimes we'll cry  
And we'll know why just you and I  
Know true love ways**

*The Lord's Prayer*

*Our Father, which art in heaven,  
Hallowed be thy Name.  
Thy Kingdom come.  
Thy will be done in earth,  
As it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
As we forgive them that trespass against us.  
And lead us not into temptation,  
But deliver us from evil.  
For thine is the kingdom,  
The power,  
and the glory,  
For ever and ever.  
Amen.*

## *A Journey*

*There is a train at the station  
With a seat reserved, just for me  
I'm excited about its destination  
As I've heard it sets you free  
The trials and tribulations  
The pain and stress we breathe  
Don't exist where I am going  
Only happiness I believe  
I hope that you will be there  
To wish me on my way  
It's not a journey you can join in  
It's not your time today  
There'll be many destinations  
Some are happy, some are sad  
Each one a brief reminder  
Of the great times that we've had  
Many friends I know are waiting  
Who took an earlier train  
To greet and reassure me  
That nothing has really changed  
We'll take the time together  
To catch up on the past  
To build a new beginning  
One that will always last  
One day you'll take your journey  
On the train just like me  
And I promise that I'll be there  
At the station and you will see  
That life is just a journey  
Enriched by those you meet  
No-one can take that from you  
It's always yours to keep  
But now as no seat is vacant  
You will have to muddle through  
Make sure you fulfil your ambitions  
As you know I'll be watching you*

## **Bat out of hell**

**The sirens are screaming and the fires are howling  
Way down in the valley tonight  
There's a man in the shadows with a gun in his eye  
And a blade shining, oh, so bright  
There's evil in the air and there's thunder in the sky  
And a killer's on the bloodshot streets  
Oh, and down in the tunnel where the deadly are rising  
Oh, I swear I saw a young boy down in the gutter  
He was starting to foam in the heat  
Oh, baby, you're the only thing in this whole world  
That's pure and good and right  
And wherever you are and wherever you go  
There's always gonna be some light  
But I gotta get out, I gotta break it out now  
Before the final crack of dawn  
So we gotta make the most of our one night together  
When it's over you know we'll both be so alone**

**Like a bat out of hell, I'll be gone when the morning comes  
Oh, when the night is over, like a bat out of hell I'll be gone, gone, gone  
Like a bat out of hell, I'll be gone when the morning comes  
But when the day is done and the sun goes down  
And the moonlight's shinin' through  
Then like a sinner before the gates of Heaven  
I'll come crawlin' on back to you**

*I'm gonna hit the highway like a battering ram  
On a silver black Phantom bike  
Oh, when the metal is hot and the engine is hungry  
And we're all about to see the light  
Nothing ever grows in this rotting old hole  
And everything is stunted and lost  
And nothing really rocks and nothing really rolls  
And nothing's ever worth the cost  
And I know that I'm damned if I never get out  
And baby, I'm damned if I do  
But with every other beat I got left in my heart  
You know I'd rather be damned with you  
Well if I gotta be damned, you know I wanna be damned  
Dancing through the night with you  
Well if I gotta be damned, you know I wanna be damned  
Gotta be damned, you know I wanna be damned  
Gotta be damned, you know I wanna be damned  
Dancing through the night, dancing through the night  
Dancing through the night with you*

*Oh baby, you're the only thing in this whole world  
That's pure and good and right  
And wherever you are and wherever you go  
There's always gonna be some light  
But I gotta get out, I gotta break it out now  
Before the final crack of dawn  
So we gotta make the most of our one night together  
When it's over you know we'll both be so alone*

*Like a bat out of hell, I'll be gone when the morning comes  
Oh, when the night is over, like a bat out of hell I'll be gone, gone, gone  
Like a bat out of hell, I'll be gone when the morning comes  
But when the day is done and the sun goes down  
And the moonlight's shining through  
Then like a sinner before the gates of heaven  
I'll come crawling on back to you  
Then like a sinner before the gates of heaven  
I'll come crawling on back to you*

*Oh, I can see myself tearing up the road  
Faster than any other boy has ever gone  
Oh, and my skin is raw but my soul is ripe  
And no one's gonna stop me now, I'm gonna make my escape  
But I can't stop thinking of you  
And I never see the sudden curve 'til it's way too late  
And I never see the sudden curve 'til it's way too late  
Then I'm dying at the bottom of a pit in the blazing sun  
Torn and twisted at the foot of a burning bike  
And I think somebody somewhere must be tolling a bell  
And the last thing I see is my heart still beating  
Breaking out of my body and flying away*
