WELCOME & INTRODUCTION

'Smurf'

Written by Grandaughter Nicole

*Our Hearts have a piece missing,
Since the day you had to go,
But the love and all the memories shared,
Are in the tears that now flow.*

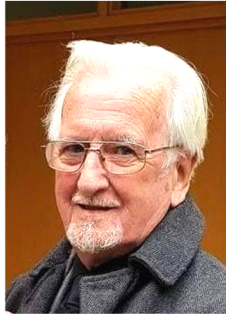

*From days out in the cold rabbiting,
With the smelly little ferrets,
To the long weekends boating
and the skills we now inherit.*

*Waking up to the sound of church bells,
and the birds outside the window,
We all loved our sleepovers with grandad,
my Smurf, Our friend, Our Hero.*

*Your smell, your smile, your silver fox hair.
Life without you now just doesnt seem fair.*

*We will think about you often,
With sadness and with joy.
For the love that we have for you,
your death will not destroy.*

*Someday we will no longer feel this pain,
This aching in our hearts.
For heaven will call upon us all,
and then we will never again be apart.*
